## Address:

6617 St Johns Dr. APT 1007, Benbrook, TX 76132

## Permanent Address:

143 Diamond Ridge Lane, Weatherford, TX 76087

## Summary of Qualifications

- Major in computer science; minor in mathematics.
- High-grade point average throughout high school and higher education.
- Previous history of leading and tutoring computer science and robotics teams.
- Certified in the JAVA programming language.

## Education

B.S. in Computer Science, The University of Texas at Arlington, TX, anticipated graduation: 2024

### Grade Point Average

- High School GPA: 4.0.
- College GPA: 3.9.

### Program Coursework

- 49 units of core curriculum coursework. Involves learning intermediate mathematics and other basic skills.
- 121 units of computer science coursework. This includes 61 units of computer science hours along with advanced mathematics and an intermediate understanding of physics.
- 15 units of mathematics resulting in a minor in mathematics.

## Work and Volunteer Experience

**Independent Math and CS tutor (2016-2020).** Assisted students improve and study in a variety of courses throughout Highschool. No payment expected if the student put effort into learning the material. Consistently resulted in the student passing the test or quiz with a B+ or higher.

**Highschool Computer Science and Robotics Team Captain (2016-2020).** Compete at competitions; assist other team members; delegate responsibilities; directed team meetings. Team members could come to me with problems and I would be responsible to help them resolve their issue.

## Professional Engagement

- Certified in Java programming involving the basic principles of computer science along with multithreading and OOP practices.

## Awards

- Four-Time UIL Computer Science Regional Qualifier.
- Two-Time BEST Robotics Regional Finalist.
